FAMILY GOD TIMES are times when as a family we have a chance to **focus on God together**. This could be driving to school, eating breakfast, before bed, there is no right time! It's at a time that works best for you.

We may not always believe it but as parents we are best positioned to help raise the faith of our children. We know them best.

It's important to share our faith and where we are at with our kids. Seize little pockets of time to ask a question from Sunday or to encourage the kids to chat about something they covered. Encourage each other to chat to God about big things and small things.
